

SPECIALS

COD: 2010877

Height-adjustable mobile aluminium platform

- ✓ Designed for carrying out maintenance on lorry roofs.
- ✓ Height adjustable from 2,660 to 4,100 mm. Manually operated by a crank handle and a rack and pinion mechanism.
- ✓ With upper guardrails to provide a safe working area of 2,100 x 2,200 mm. Extendable supports at either side for attachment to the lorry's roof.
- ✓ Equipped with 4 swivel castors for easy manoeuvring in confined spaces and levelling feet for enhanced stability in the working position.
- ✓ Upper platform to facilitate dismounting. Rubber protectors at the sides prevent damage to the vehicle.
